HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen, and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Dandruff at any drug store, pour a little in your hand and rub it into the scalp. After a few applications, the hair stops coming out, and you can't find any dandruff.—Adv.

The Pennies in the Box.

I'm Uncle Sam's most favored pet,
I'm hearty and I'm hale;
I've nothing in this world to do
But glide 'round with the mail.

But one thing almost breaks my heart
And my nervous system shocks,
It's the everlasting pennies
That I'm fishing from the box.

I carry stamps and envelopes
And postal cards and such;
And I would like to sell a few—
'Twould please me very much.

But a man can't sell unless you buy,
No matter how he talks;
So I have to keep on diving
After the pennies in the box.

It's all right in the springtime
Or when summer breezes blow,
But a different proposition
When it's 32 below;

When all your fingers and your toes
Are frozen hard as rocks,
It's most anything but funny
Scratching pennies from the box.

And now, quite confidentially,
I'll tell you something more,
A rural carrier (way out West)
Forgot himself and swore:

Says he, "I can stand the snowdrifts,
I can stand the frozen locks,
But blast the measley pennies
In the blasted measley box."

When the roll is called up yonder
And we all shall gather there,
They wouldn't let a mail man in
If they knew he'd learned to swear.

If you want St. Peter to open the gate
When your rural carrier knocks,
Buy stamps; and don't be guilty
Of putting pennies in the box.

—Atwood (Kans.) Citizen-Patriot.

HEADACHES

Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month, and still others have headaches occasionally, but not at regular intervals. The best Doctor is often unable to find the cause of many of these headaches, and in most other cases, knowing the cause, he does not know what will remove it, so as to give a permanent cure. All he can do is to prescribe the usual pain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches no matter what their nature, take and assimilate tablets, and the results will be satisfactory in the highest degree. You can obtain them at all druggists in any quantity, the worth, size worth or more. Ask for A-K Tablets.

SICK-HEADACHES

Sick-headaches, the most miserable of all sicknesses, caused by errors when A-K Tablets are taken. When you feel an attack coming on take two tablets, and in many cases, the attack will be warded off. During an attack take one A-K Tablet every two hours. The rest and comfort which follow, can be obtained in no other way.

Genuine A-K Tablets bear the A-K monogram. At all druggists.
